LIONS 2002

An aerial photograph of a vast, arid desert landscape. The terrain is a mix of light tan and dark brown, with numerous small, dark, rectangular structures scattered across the ground. In the center of the image, a larger, more prominent dark rectangular structure is visible, casting a long shadow to the left. The sky is a clear, pale blue, and the overall scene is bathed in warm, golden light, suggesting a sunrise or sunset.

2002

An aerial photograph of a coastal region, likely a bay or estuary, showing a network of waterways and land parcels. A white grid is overlaid on the image, with a prominent rectangular box highlighting a specific area in the center. The water is a dark, almost black color, while the land is a mix of light brown and tan. The grid lines are thin and white. The overall scene is a top-down view of a complex waterway system.
